UNITED STATES DEPARTMENT OF JUSTICE
FEDERAL BUREAU OF INVESTIGATION

WASHINGTON 25, D. C.

December 14, 1961

BY LIAISON

Honorable John A. McCone
Director
Central Intelligence Agency
Administration Building
2430 E Street, Northwest
Washington, D. C.

My dear Mr. McCone:

Your Agency, by letter of November 16, 1961, 25X1
forwarded to this Bureau copies of a publication entitled "Soviet Strategic
Executive Action (A Preliminary Survey)."

Of particular interest to the Federal Bureau of Investigation was the statement in your document that a report had been received that Soviet-trained saboteurs were stationed "in critical areas" as of April, 1961, and had received their assignments. Your document indicated that Washington, D. C., and New York City had been cited recently as examples of cities for which the Soviets had "long ago" drawn up sabotage plans, the details of which are not known.

Through our liaison channels, we have expressed our interest in further details concerning these matters to the Office of the Deputy Director, Plans, but I also wish to express to you my interest in specifics on these items so far as the United States is concerned. Furthermore, this Bureau would appreciate receiving promptly and in detail any information relating to Soviet intentions and capabilities in the field of sabotage within the United States.

We, of course, will continue to disseminate matters of interest to your Agency on a day-to-day basis as they are received.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "J. Edgar Hoover", is written below the typed name.
